AT THE GOVERNMENT HOUSE AT

OTTAWA:

Thursday, the 16th day of June, 1921.

HIS EXCELLENCY THE GOVERNOR GENERAL

IN COUNCIL.

L.C. 2035.

WHEREAS by Orders in Council of the 3rd July and 12th November, 1920, provision was made for the withdrawal from sale, settlement or disposal both in respect of the surface and mining rights, of certain lands situated on the Athabaska River in the Province of Alberta, containing a deposit of tar-sands, which, according to a report submitted by Mr. S.C. Mills, an officer of the Department of Mines, have an over-burden of less than seventy five feet;

And whereas the Minister of the Interior reports that a list of additional lands in the same vicinity, suitable for tar-sand development, and which would not appear to be valuable for any other purpose, has now been submitted;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to order and it is hereby ordered that those portions of the following described lands which are still the property of the Crown be, for the present, withdrawn from sale, settlement or disposal for any purpose, both in respect of surface and mining rights, subject, however, during the period of their currency to laws already issued under the provisions of the Petroleum and Natural Gas Regulations of portions of the lands described, and subject also to the permission granted by Order in Council dated 21st September, 1919, (P.C. 1700), and by Order in Council dated 30th August, 1920, (P.C. 2017,) to the Government of the Province of Alberta, to conduct operations within certain townships for the discovery of sodium chloride and gypsum.

the Minister of the Interior.

Ref. 125213 or 149215 (C.I. & Y.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 30th of August, 1920.

Present:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

P.C. 10,204

WHEREAS by an Order in Council, dated 8th September, 1919, (P.C. 10,100), authority was given for the withdrawal from disposal under the provisions of the Quartz Mining Regulations of the available sodium chloride (common salt) rights in township 36, ranges 7 and 8, and township 37, ranges 8 and 9, west of the 4th initial meridian, to admit of prospecting operations for the discovery of that mineral being conducted, in the interests of the Province of Alberta;

And whereas the Minister of the Interior reports that representatives have been employed by the Provincial Government of Alberta in conducting borin operations for the discovery of sodium chloride, a deposit of gypsum has been discovered at a depth of five hundred feet, and the request has been made that the reservation already created of the sodium chloride rights be extended so as to include the gypsum in the townships above described;

Therefore, in view of the large expenditure of time and money which the Provincial Government has incurred and is incurring in the search for minerals under the lands referred to, and as the gypsum mining rights are not reserved to the Crown in patents issued for the surface rights, His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior, is pleased to authorize and doth hereby authorize the withdrawal for the present from sale, settlement or other disposal, the available surface and mining rights, the property of the Crown, in the right of the Federal Government, in and under township 36, ranges 7 and 8, and township 37, ranges 8 and 9, west of the 4th initial meridian, to admit of the Provincial Government of Alberta conducting further investigation of the gypsum deposit already referred to.

ROSLINE BROWN HAY,
Clerk of the Privy Council.

The Minister of the Interior.

Mr. Fred Brown, the

In accordance with your

Mr. Hume,

Re. Application for patent,

For his homestead,
N. 1/4 of 2-62-25, West 4th M.
Not recommended.
No witnesses to application for patent.

Mr. John T. Albion, who is a British subject,
obtained entry for the above land on the 20th of
August, 1915. According to the Militia Department
he enlisted for active service on the 15th of
February, 1915 and was discharged on the 27th of
September, 1918.

The application for patent does not show
any improvements on the homestead.

of the 8th of May and the 20th of December, 1915.

MEMORANDUM:

Mr. Harp.-

Re N.W. 10-66-11, W. 11th M.
Homestead - George W. Siewwright.
Bury August 17th August, 1915.

This soldier enlisted for active service on the 20th June, 1915, and was struck off the strength and transferred to "Casualties, N.W. 10" on the 7th September, 1915.

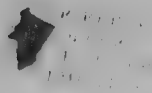

The Military Authorities further report that Captain Siewwright died at his own home at Edmonton on the 10th November, 1915, and that as he was not on the strength of the Canadian Expeditionary Force at the time of his death, a death certificate cannot be issued by the Department of Military and Naval Affairs. It is further reported that there is no record of any military service and that Mrs. Siewwright, the widow, is in receipt of a pension on account of his death. Division B1 report 1-1-15

Under the circumstances, it would appear that the estate of which would be dealt with under the provisions of Section 50 of the Soldiers' Domicile Act, that is to say, the estate of a soldier who dies either in the name of the Government or in the name of the Government.

I think that if Mrs. Siewwright were to furnish the Department with evidence of will or intestacy of administration, it would be accepted as a will or intestacy of death without further action for a civil certificate of death, which is not required in ordinary cases of death, but if she were to furnish the Department with evidence of will or intestacy of administration of her estate, she would be required to furnish a civil certificate of death, whereas the Department would then issue a pension in the name of the Government.

MEMORANDUM:-

MR. HARRIS.

R.W. 4 10-12-18 W. 12th M.
Mr. Reuben H. Attrell,
EMPLOYED SINCE 17th April, 1915.

The entry at enlistment of R.W. 4 on the 16th of February, 1915, on the 1st of August, 1917, at Kingston, being reported by him.

Mr. Attrell applied for the issue of letters patent without the payment of settlement fees on account of his disability to comply with the requirements by reason of illness contracted while on active service.

The case was referred by Mr. Thompson on the 11th ultimo, and the issue of patent recommended.

In connection with the issue of letters patent to obtain an up-to-date medical report on discharge as the medical report received was dated June, 1917, and therefore about 12 years at date.

The file relating to Mr. Attrell's case has been received from the Department of Soldier's Civil Re-employment for confidential information.

Mr. Attrell's disability is reported as follows:-

Mr. Attrell was examined by the Medical Board upon his return to Quebec on the 6th of March, 1917. At the time of his disability was reported "Not 1."

The opinion of the Medical Board which passed on Mr. Attrell's case is as follows:-

Present Condition.

Physical Condition:-

Good.

Mental Condition:-

This patient is now quite lucid mentally and is highly nervous. Aids former hallucinations and delusions, but these are now entirely absent.

Harris.

-11-
History:-

Nervous break-down in France in March, 1916 suffered from cold and exposure and had fever and some slight mental symptoms, was in several hospitals in England and Canada. Had vivid hallucinations and delusions while in Ontario Military Hospital. Now he is mentally and physically improved.

Extent of capacity to earn a livelihood.

50%

Probable duration:-

Might be permanent.

Former trade or occupation might be resumed to a certain extent.

Recommendations:-

The patient be discharged from active service and sent home (patient is already discharged and is now at home as of August, 1917).

Captain J. J. Brown reported on 11/25/17 that "Private Attrell is a dangerous lunatic. He is a violent man, and a very bad officer. He is quite severely delirious about the war. The mother, who is a widow, seemed to be entirely incapable of appreciating her son's condition. She insisted that he should be taken home. She refused to let him go, but at the time that she was proceeding to do so, Captain Attrell's condition grew worse and his dangerous, aggressive tendencies became conspicuous. On her arrival Captain Vrooman spent a great deal of time trying to explain to her the situation and finally told her that he could not allow her to assume the responsibility of taking her son home. Her safety was in question. He then telephoned with A.D.M.S., A.S. 3, and at the latter's suggestion advised Mrs. Attrell to proceed to the A.D.M.S., Office for instructions if she was unwilling to be governed by Captain Vrooman's judgment.

When the transfer of insane cases from the camp to Newmarket was made, 4/3/17, Attrell, as a highly irresponsible and dangerous patient was included. Newmarket is the proper place for such patients although there would be no reason why he should not be transferred to a provincial asylum in his own interest. Psychosis has apparently been developing for several years."

Mr. Attrell was allowed to return to his home at Inverbe, Alberta in charge of his mother and is at present (presently an employee of the Invalids Soldiers' Commission. It is not apparent in which capacity Mr. Attrell is employed.

It would appear therefore that Mr. Attrell's condition has improved but it is not apparent whether he has sufficiently recovered to be capable of conducting his own affairs and capable of performing settlement duties.

As shown by the within letter from the Agent of the Dominion Lands here, application was made some years ago for the location of a scrip by Louis Larocque on the above lands. We also enclose \$2.00, assignment fee. Kindly have transfer registered and patent issued and advise us.

If, however, there is anything wrong with the proceedings in connection with this location, advise us and we will get it adjusted.

An early reply will much oblige,

value - \$80.00

Area fit for cultivation:- 100 acres.

On the 31st August last the Agent was instructed to abandon the cancellation proceedings and notify the persons interested.

In his letter of the 31st October last Mr. Murphy states that Mr. McLean has sold his property adjoining and has moved away, and the improvements on the homestead consist of about 10 acres of breaking.

In view of the statements made by Mr. Murphy in his letter of the 7th December, the Agent was furnished with a copy of the letter and instructed to obtain a supplementary report setting out definitely the duties performed by Mr. McLean.

In his letter of the 6th February last, Mr. Homestead Inspector Huntley reports as follows:-

"I beg to state that Mr. McLean claims residence from 1st March 1916, to the present time on S.W. 1/4 Sec. 6 - 4 - 6 West 4th M. land which he owns.

Mr. McLean told me that he had agreed to sell S.W. 6 - 4 - 6 but the deal has not yet been closed. There were 20 acres broke and cropped in 1917 on S.E. 19 - 4 - 6. Mr. McLean says that he fully intends to complete his duties."

In his affidavit of the 13th March last, Mr. Murphy swears as follows:-

"This is to certify that I Clarence W. Murphy hereby take oath and say.

That there is only 10 acres broke on South East Quarter 19, Township 4, Range 6, West 4. And that the said party does not live on the said South West Quarter 6, Township 4, Range 6, West 4."

On the 27th March Mr. Murphy was advised that another Homestead Inspector would visit the land and report.

The report of Mr. Homestead Inspector Switzer of the 30th April last, is as follows:-

Residence:- None so far as I can learn.

Improvements:-

1 1/2 miles fencing, value ---- \$100.00

Cultivation:-

1917 - 15 acres broken
1918 - 15 acres cropped
value ---- \$90.00

Area fit for cultivation:- 160 acres.

General Remarks:-

Entrant never lived on this land. Any residence he performed was done on his leased land which is S.W. 7 - 4 - 6 W.4th M. He also owned Sec. 1 and 2 in 4 - 7 - W.4th M. on which was broken about 60 acres but these sections he sold in Sept. 1917."

What action is now to be taken

Soldier Grant,
Rank: 1. Wesley,
date of entry: 14th June, 1919.
Soldier loan for interest against this land.

This is a loan whether he may change his soldier grant to a home loan or not. It is the duty of the department to see that the time put in the soldier grant.

As there does not appear to be anything in the regulations respecting this, the case is submitted.

I assume if Mr. Wesley is eligible for home loan entry, there is no reason why he should not obtain the soldier grant and obtain the same home loan and the point is whether he can count the time put in the soldier grant in connection with the home loan entry, if the change of entries is made.

ELIGIBILITY FOR SOLDIER GRANT ENTRY :

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

- (1) of Canada— and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies— and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony— and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:—

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

The Seed Grain and Relief Adjustment Board, appointed under Order P. O. 2200, hereby recommends that the Joint Relief liens charged against the S.S.#, 19-4-6-W. 4th Nor., for advances made to Frank L. Wesley, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated June 11th, 1932, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held homestead entry to said land but failed to complete his duties and his entry thereto was cancelled and this quarter section is now vacant Crown land.
2. That the land is situate in an extremely dry District and has a very low value being suitable only for grazing purposes and it is desirable that the liens be discharged from the said land without consideration.
3. That all trace of the debtor has been lost for several years and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

The land is in the dry district in the South-

will be advisable to hold the former entrant's indebtedness as
a charge against the property as such action would only have
the effect of deterring new entry to the land and further
development of the country. I recommend therefore that the
debtor be discharged.

The debtor left Alberta and was last heard
of in the year 1925, as a day laborer at York, B. C. Since
that time all trace of him has been lost.

No good purpose may be served by retaining
this account on the Departmental records, and I recommend it

This Department has old accounts against the above noted lands for advances of seed grain to Albert West in 1919 and 1920, Frank S. Wesley in 1920, 1921 and 1922 and Ella Watts in 1919.

Secretary Treasurer,
Municipal District No. 2,
FOREMOST, Alta.

Dear Sir:

Re: S.E. 19-4-6-W.4th.

This Department has an old account against the above noted land for advances of seed grain to Frank S. Wesley in 1920, 1921 and 1922. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Encl.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Seed Grain Advisory Board.

Re: Account of Frank S. Wesley
S.E. 19-4-6-14

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920, 1921 and 1922 seed grain amounting to \$305.75 was advanced to Frank S. Wesley on the security of the above mentioned land. A payment of \$3.20 was received in 1920 and applied to the principal and interest. The present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 303.83 | \$ 682.76 | \$ 986.59 |

The S.E. 19-4-6-14 was formerly the homestead entry of the debtor whose entry was cancelled on the 12th of July 1930 and the land is still unalienated Crown Land held in the right of the Province.

The land is described as situated in an extremely dry district and has a very low value being suitable only for grazing purposes.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advances.

Under the circumstances it is recommended that the indebtedness be cancelled.

C. W. Gilchrist
C.W. Gilchrist.

Ottawa, 18th April. 1953.

Re: Account of Frank S. Wesley
S.E. 19-4-6-74

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

E.H. Medlen,
Dominion Member.

Dear Sir,-

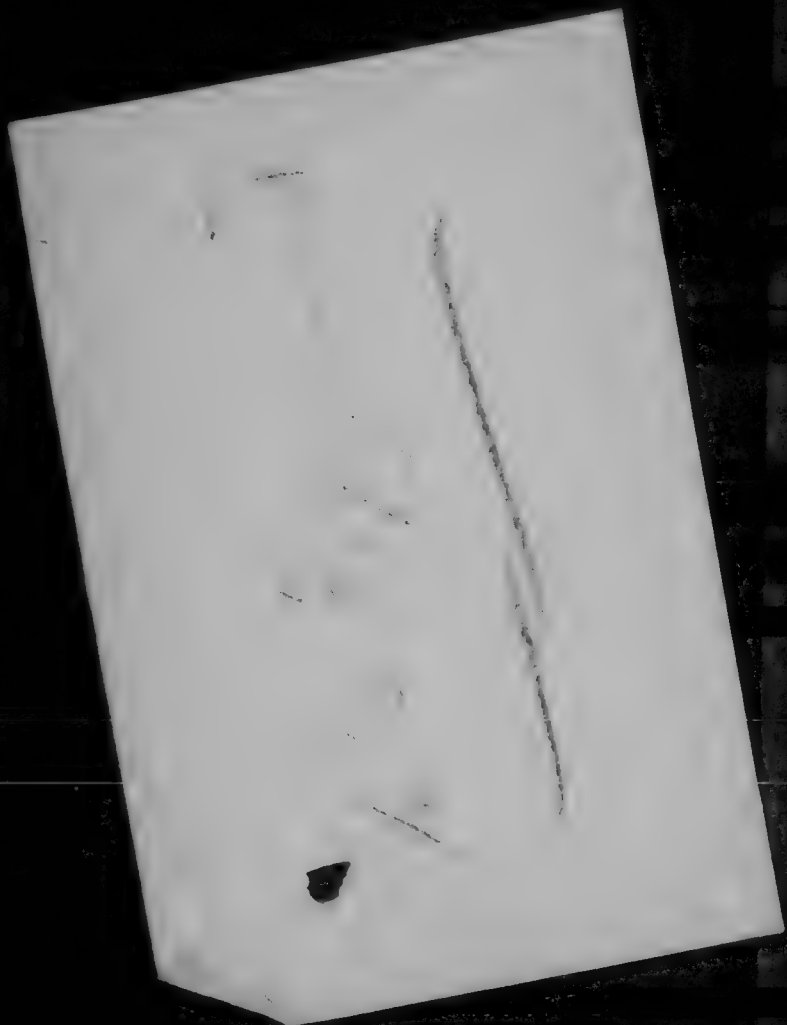

Referring to your 3472107 of the 22nd.ultimo, advising that recent survey of Township 5, Range 13, west of the 4th.M., shows that in that portion of the west-half of section 16, north of the river, and that portion of section 17, north and south of the river, Tp. 5, Range 13, west of the 4th.M., - there are only 697.70 acres, instead of 705.10 acres, as shown on the Township plan we have been working on. Under the circumstances, I should be obliged if you would proceed with the issuing of the patent for the corrected area, letting us have same as soon as possible.

Yours truly,

Sir:-

On the 28th of February, 1885, under Patent, H.B.C.#115, the Company received title to 349 acres of this Section, which apparently covered all that portion of same lying outside the Waters of Beaver Hills Lake.

Since issuance of this Patent it would appear that the Lake has receded.

The Company now desires to secure Supplementary Letters Patent, for the balance of the Section, now ~~lying~~ outside the Waters of the Lake.

I shall be glad to be advised in due course that Letters Patent will issue.

I have the honor to be,

Sir,

Your Obedient Servant,

H/A.

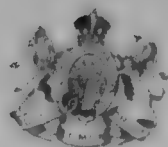

purchase such parcels on the grounds that as the Company's title to lands accruing under the Deed of Surrender and the Dominion Lands Act would differ materially from a title in virtue of purchase, a serious objection to the proposal to purchase at once appears. He also emphasizes the fact that the Company in respect of its dealings in land is only realizing its estate and is not engaged in the purchase and sale of lands as a business.

As the Company has sold this parcel of 311.75 acres and is anxious to deliver title, I think, that without prejudice to the settlement of the general question of the additional areas resulting from the drying up of lakes, that this parcel which Mr. Thomson is anxious to dispose of, might be debited to the Company in the Land Account which would be satisfactory to Mr. Thomson, and any other similar parcels can be dealt with on their merits or in such a way as may be decided on later.

With respect to the Land Account I may say that although at the present time the Company may have received more land than they are entitled to at this date still the Company's 1/20 of the whole fertile belt will amount to more land than they have already received and the Department would be amply protected in debiting this parcel in the Land Account and as Mr. Thomson is very desirous of dealing with this parcel, I think possibly this might be done.

Respectfully submitted,

Controller.

MEMORANDUM:-

Hudson's Bay Company
Additional land in Arden Lakes
Sec. 8-16-16 W. 4th M.

In 1898 a patent was issued to the Hudson's Bay Company for all the portion of the above mentioned section not covered by the waters of the Lake as indicated in pink on the sketch, herewith.

The Lake has now dried up and the former bed is now land. The Company desires a small quantity of land for the same section but including an area of 311.75 acres.

The land has been valued by the Dominion Inspector at the rate of \$1.15 an acre and the Company, having filed evidence that it is the registered owner of the remainder of the section, and is shown in some cases also the value of the land in 1911, that it might purchase the area referred to at the Inspector's valuation of \$6.35 an acre.

Mr. Thomson referring to this matter on April 1st 1913 reported that the value of the land was \$1.15 an acre and that the Company is entitled to 1/20 of the surveyed lands within the fertile belt and must necessarily be entitled to its proportion of the additional area shown on the map and the above mentioned area shown, as far as practicable, to the owners of the lands shown on the map in the same proportion as the other lands.

The land referred to must be sold to

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:

- (1) of Canada and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,
- (2) of his Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,
- (3) of his Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who:

- (a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,
- (b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,
- (c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the evening of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section one of the Act 15-16 George V, Chapter 10, "An Act to amend The Dominion Lands Act," it is provided as follows:

"Notwithstanding anything contained in this Act, no person shall be granted entry for lands situate within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of survey unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Dear Sir:

Re: S21 22 2 12-W.4th Mer.
Your file No. 3475086

I have your letter of the 27th ultimo, requesting to be advised of the present standing of the above described land and if it is likely to be used again for farming purposes.

✓ This quarter section is included in Grazing Permit No. 7406, which is held by J. D. Atwood, of Lucky Strike, Alta. The permit expires on the 31st of March, 1953, and Mr. Atwood has prior right of renewal if he so desires. The land referred to contains an area of 160 acres, and according to an Inspector's report on file, is best suited for grazing purposes. It is located outside of the settlement area, and it is not likely to be used for farming purposes.

Yours truly,

V. A. Wood

Director of Lands.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re: Account of Daniel C. McDonald
S.E. 32-3-12-74

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1921 seed grain amounting to \$69.50 was advanced to Daniel C. McDonald on the security of the above mentioned land. A payment of \$25.00 was received in 1927 and applied to the interest. The present standing of this account is:

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 69.50 | \$ 91.64 | \$ 161.14 |

The S.E. 32-3-12-74 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 3rd of December 1925 and the land is still unalienated Crown Land held in the right of the Province.

In reply to our questionnaire of the 24th of November 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"This quarter section is included in Grazing Permit No. 7846, which is held by J.D. Atwood, of Lucky Strike, Alta. The permit expires on the 31st of March, 1953, and Mr. Atwood has prior right of renewal if he so desires. The land referred to contains an area of 160 acres, and according to an Inspector's report on file, is best suited for grazing purposes. It is located outside of the settlement area, and it is not likely to be used for farming purposes."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

COMMISSION 3480694.
DOMINION LANDS

19th March, 1917.

Memorandum.

N. 1111 - 60 - 1 - 4. 5th E.
Homestead Pte. John Thomas Fox,
3rd September, 1915.

Subsequent to date of enlistment in May, 1915, Pte. John Thomas Fox obtained Homestead entry for land above described, was wounded in action in France in June, 1916, and discharged as medically unfit in January, 1917.

Writing under date the 2nd of January, 1917, he set out that his wound was a depressed fracture in consequence of which it was impossible for him to do any kind of work as called for on a homestead, that he had been awarded a pension (by 80 per cent?) by the Pension Board at Calgary.

There has now been received and is on file hereunder a copy of a medical report in this case and filed with the Department by the Secretary of the Military Hospitals Commission.

According to that certificate his present physical condition is the result of a wound that fractured the skull and necessitated a prephine operation. In that certificate it is set out the conditions which prevent the soldier from earning a full livelihood are occasional headaches and dizziness on exertion, but otherwise he appears to be in good shape, that there is a defect in the skull about 1 1/2" in diameter in right parietal bone anterior to line of exit, auditory meatus. There is history of paralysis of left arm and leg for ten days following injury which was relieved by operation. No paralysis, atrophy or sensory disturbances now.

The probable duration of incapacity is stated to be permanent.

Kindly say whether this case can be considered as coming under Section 23 of the Dominion Lands Act and the issue of Patent proceeded with upon receipt of the original or certified copy of the medical report in question.
